# The Cruise & Maritime Voyages Experience

At Cruise & Maritime Voyages, we aim to offer a more traditional and leisurely style of cruising and maritime experience aboard our classic-style cruise ships, where the emphasis is very much on providing attentive service within a friendly 'home from home' atmosphere. *Magellan* is a mid-size ship offering a wide choice of facilities and yet retaining a more intimate ambience.

It is guaranteed that nothing whets the appetite like sea air. You'll therefore have even more reason to anticipate the feast of delights freshly prepared by our expert chefs and served by attentive restaurant staff. Opt for a full English breakfast, savour a leisurely lunch and enjoy a sumptuous five-course dinner each and every day of your cruise.

As a casual alternative to our formal restaurants, enjoy a more relaxed buffet-style meal served up with a complimentary ocean view or try our Indian Fusion speciality restaurant (supplement applies). Add in the afternoon teas, late night snacks and traditional shipboard occasions such as the Captain's Gala Dinner, and the pleasures of the table will surely tempt you from the moment you sit down to dinner on your first night aboard until that final breakfast as you prepare to disembark.

During days at sea, you may choose from a work-out in the gym; a spa treatment in the Wellness Centre; a swim in the pool or something a little less energetic in the form of curling up with a good book. Perhaps listen to a guest speaker or learn a new skill from one of our arts and crafts specialists. The choice is yours!

And in the evening, a high standard of entertainment is brought to you by our experienced Cruise Directors and entertainment hosts. It is their aim to ensure that you have an unforgettable cruise holiday and present a truly wonderful and varied entertainment programme. With stylish production shows, guest acts, cabarets, classical interludes and the late night disco, there's something for everyone.

*Scenic delights and maritime heritage*

Discover southern Norway on this delightful autumn Nordic cruise. Its 18th century core has probably northern Europe's best-preserved community of wooden houses.

### Team Butcher

**Roland Butcher** was the first black West Indian to play One Day International Cricket and Test Cricket for England. In his 21 year professional career with Middlesex County Cricket Club he scored over 12,000 runs winning six County Championships and six One Day trophies. Roland is presently the head coach at the Academy of Sport, University of the West Indies. For the past 10 years he has worked for the Caribbean Broadcasting Corporation as a cricket and football commentator.

**Paul Downton** the ex-Kent, Middlesex and England wicket keeper and batsman helped Middlesex to a Championship and Gillette double in 1980. In all he played in 30 Test matches and 28 One Day Internationals for England and he was in the England side which reached the 1987 World Cup final. In 1990 he suffered an accident which forced him to retire. At the start of 2018, Paul was appointed Director of Cricket for his native Kent CCC, leading them to promotion to Division 1 of the County Championship in his first year.

**Paul Grayson** affectionately known as 'Larry', has enjoyed over 25 years in professional cricket firstly as a player with Yorkshire, then with Essex and then since retiring, as a coach. Grayson was a top order batsman and very capable slow left arm spinner, especially effective in One Day cricket which led to him being picked for England in One Day Internationals in 2000. He served as Essex's head coach from 2007 to 2015 and is currently a coach with Yorkshire CCC.

### Team Gooch

**Graham Gooch OBE** was one of the most successful international batsman of his generation, and through a career spanning from 1973 until 2000, he became the most prolific run scorer of all time, with 67,057 runs across first-class and limited-overs games. Graham led the England cricket team in over 30 matches. His score of 154 against the West Indies at Headingley in 1991 is regarded as one of the finest centuries of all time. After 118 Tests and aged forty-two, Graham retired into coaching, commentating and charity work.

**Ray East** enjoyed a long and distinguished cricket career with Essex, during which time he took over a thousand wickets for the County and won 3 County Championships and 3 One day titles. Following his playing career, Ray went on to own a pub in Suffolk and combined it with coaching and more importantly, developing the many young cricketers in the 2nd XI at Essex, namely, Hussain, Knight, the Waugh's and Topley.

**John 'JK' Lever MBE** achieved incredible success as part of the powerful Essex team of the 70s and 80s and also played 21 tests for England, achieving figures of 7 for 46 on debut in Delhi in 1976. Essex won four County Championships, three Sunday League and two one day titles during John's career where he took over 2300 wickets. Since retiring John has stayed involved in cricket through coaching and entertaining people at functions.

### Your Host

**Nick Hancock** is a comedian, actor and presenter who is probably best known for hosting the comedy sports quiz 'They Think It's All Over' alongside Gary Lineker and David Gower. He also devised and presented BBC TV's 'Room 101' and has appeared in, and hosted, many other shows over the past 30 years. Nick's passion for sport and not being at home means that he is particularly delighted to be on board *Columbus* representing the Lord's Taverners charity.
